Hi Richard,

I'm here this week but on AL starting next week through Sept. 11. Then on Sept. 14 and 15 I am flying up to Montana for Yellowstone River oil spill negotiations. I'll catch up with you when I'm back later that week. Hopefully, you and Nathan will have made some headway on AOC negotiations. Thanks! -Ann

Nathan – I spoke with Ann this morning and she is available Tuesday morning. How about Tuesday at 10:00 am in EPA's office?

Thanks

Figured you might be a tad busy.

How about Tuesday morning? Would you like to come down south for a change of scenery? If not, EPA's offices would work for me.

Hang in there....

Nathan

Nathan – As you may imagine, I have been a little busy for the last few days. Monday through Wednesday next week are fairly open at this point for me. I will check with Ann on her availability. Did you want to meet at EPA's offices, Ann's office in Lakewood, or your office?

Richard,

Sorry for the delay. Been dragged into some other matters requiring my attention.

Can we set the meeting for next week? My schedule is pretty good Monday – Wed.

Thanks,

Nathan

Nathan – Thursday should work for me. At this point, I feel that I should ask Ann Umphres if she would like to sit down with us. Let me know what you think.

Richard,

Thank you for meeting with us, as well. I agree that it was a good meeting and we look forward to continuing moving things forward in a positive manner.

I will look to get you some revisions next week. Might be good to sit down and discuss them beforehand. Should we set aside some time next Thursday?

Thanks,

Nathan

Nathan – Thanks again for meeting with us today. I think it was a good meeting.

I forgot to ask at the meeting when you think you will be able to provide comments on the draft AOC?

Thanks
